Long years have pass'd since last we met, Long

years that I would fain for-get But they enchain and bind me yet and

bind me yet. I was too proud The

truth to show And you too blind the truth to know, And

so we parted Long a - go, Long a -

- go, - - - Long a - go. - -

You

spoke of life as but a dream, My vi - sions were your con - stant theme

How empty they would one day seem, would one day seem.

I was too proud the truth to show,
